

## BAPTON PIONEER

Bapton Pioneer is the new world champion of champions in actual performance. This great bull is considered by ranchers, Shorthorn breeders, and all beef breeders who saw him as one of the great bulls that the beef industry has seen in several decades. However, after seeing his fantastic string of bull calves and his large collection of outstanding heifers, Shorthorn breeders unanimously acclaim him as being without compromise one of the most powerful, if not the most powerful, Shorthorn bulls in Shorthorn history.

His bull calves are heavy boned, deep, with strong heads and well set eyes, good necks, full rear quarters, and a set of legs put under them in the right location to do a job. His heifers are without compromise the grandest bunch of young females ever presented by one bull. Their completed development and quality shows out at an early stage. They continue at all times to show their superior conformation and definitely promise to be the greatest collection of females ever produced by an individual bull.

The above animals are no accident. They are the result of a controlled breeding program established at Northwood to produce the new type of Shorthorn the industry has been waiting for. When you see his accomplishments you will agree that the above statements do not adequately describe him.

This greatness will be transmitted through his offspring into your herd. If you have never seen this great bull we extend to you an invitation to visit us and see him before sale date. Pioneer's offspring will be a solid foundation with a short cut assuring you and your family the future in this great Shorthorn industry you have been waiting for.

**GLASTULLICH SUNSHINE, Imp.**, born January 30, 1959. This great bull, if left in Scotland as requested by Mac-Gillivray, no doubt would have been the Perth Supreme Champion. He is considered by many as being one of the best, if not the very best, bull ever produced by the Mac-Gillivray Glastullich family. There are many reasons. His sire is Bapton Balmoral, whose dam is Rothes Queen by Kirkton Challenge by Kirkton Baronet; and whose sire is Cruggleton Balmoral by Cruggleton Elvin. This great bull, Sunshine, is without compromise, the greatest bull ever offered in Shorthorn history. A portion of semen rights retained.

Examples of Daughters of Pioneer that are in the Sale

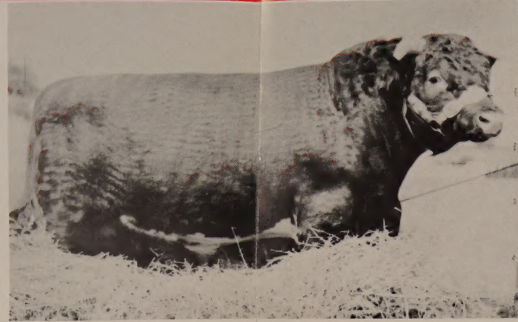

# Bapton Pioneer Offspring Change Shorthorn History

**NORTHWOOD PIONEER BLANCO**, born November 19, 1960. A great white bull calf who has more of everything than any white bull ever presented. His dam is an outstanding cow by Bapton Constructor.

**NORTHWOOD PIONEER BRAND**, born March 24, 1960. A deep red roan bull. It can be said without compromise that he is the closest duplication of his sire that any bull has ever produced. Qualified breeders state that he is even more attractive than Pioneer was at his age. He is just supreme in every respect according to the most critical breeders. There is nothing missing; nothing you could ask for or wish for from this bull except that you could own him for your herd.

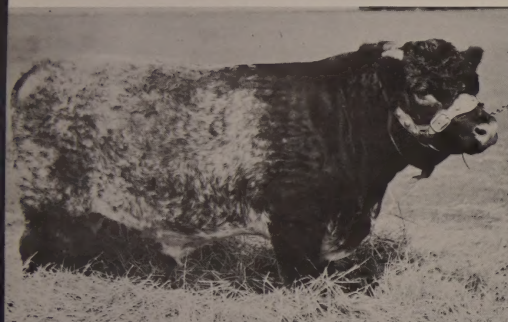

**NORTHWOOD PIONEER CHIEF (Twin)**, born October 11, 1960. A deep red, heavy, perfect bodied bull with lots of character and a perfect set of legs. His quality and color will warrant additional inspection. His brother died of pneumonia this Spring.

**GLASTULLICH DEAN, Imp.**, born April 11, 1960. Among the very best of the young imported bulls to enter this country. He will definitely be classed among the great imported bulls. His dam was Glastullich Princess Erin by Bapton Balmoral. His granddam was Glastullich Princess Erma by Calrossie Highland Welcome.

**GLASTULLICH ULTRAMAR, Imp.**, born October 12, 1959. A great white progressive bull with a perfect back, good set of legs, and good body. This white bull could fill any requirements placed upon him. His dam is Calrossie Roan Princess by Ocean Wave by Calrossie Welcome. His sire is Calrossie Christmas Carol, who is doing such a great job in New Zealand. Christmas Carol's sons have stolen the entire limelight in the Shorthorn industry in New Zealand.

**NORTHWOOD PIONEER CROWN**, born November 13, 1960. One of the thickest and best roan bull calves you have ever seen. Strong head and has great promise of being a very outstandingly great bull. His dam is a full sister to the dam of an international grand champion bull.

## PREMIER SALE OF SHORTHORNS at Northwood Blue Heather Shorthorn Farms - Cary, Illinois SATURDAY, OCTOBER 21, 1961

We cordially invite your inspection before sale date and ask you to spend a day or two at Northwood to see our program in operation. At sale time, we will meet all planes at O'Hare International Airport. We also invite you to come a few days before the sale to see and inspect our great herd. Please let us make motel reservations for you early, giving dates of your arrival and departure. We are sure that your visit will be a great education, and a profitable trip.

Thanking you for your immediate reply and anxiously awaiting having you as our guests at Northwood.

Sincerely yours,

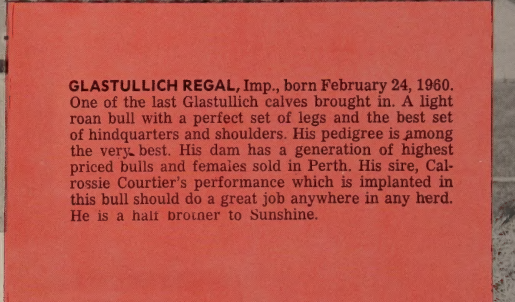

OTTO, EDNA and BUD GROSSE

**NORTHWOOD PIONEER GRAND**, born September 17, 1960. A deep red bull which has been selected by many people as being one of the better bulls ever offered for sale. His conformation, spring of rib, his good bone and flanks could make him just a little better bull than you expected to find anywhere. His dam has produced three of the outstanding calves on our farm. His dam is a Princess cow by Cruggleton Purvis by Calrossie Harmony.

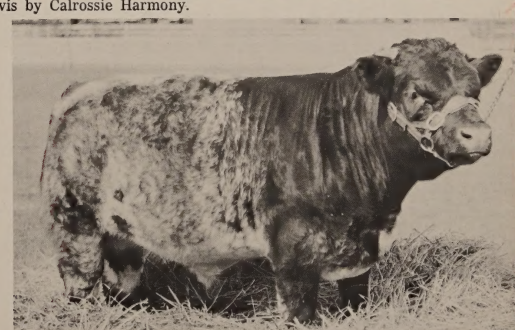

**GLASTULLICH REGAL, Imp.**, born February 24, 1960. One of the last Glastullich calves brought in. A light roan bull with a perfect set of legs and the best set of hindquarters and shoulders. His pedigree is among the very best. His dam has a generation of highest priced bulls and females sold in Perth. His sire, Calrossie Courtier's performance which is implanted in this bull should do a great job anywhere in any herd. He is a half brother to Sunshine.

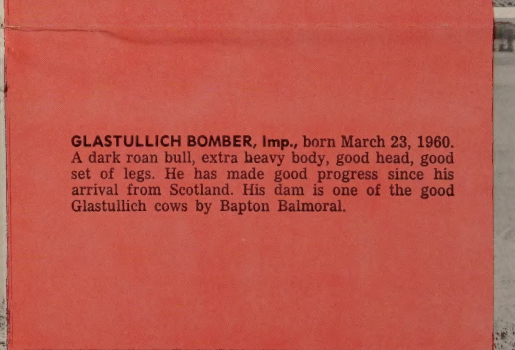

**NORTHWOOD PIONEER BONUS**, born December 8, 1960. This is a very unusual bull showing exceptional growth and gain. Could be among the most promising at sale time. He is just different. His granddam, Arnella, is one of the best cows at Northwood and her daughter is bred to Pioneer at this time and she will warrant your inspection. This is the only female retained out of Pioneer's daughters. When you see Arnella and her daughter you will see many reasons why you should consider purchase of this bull.

**NORTHWOOD PIONEER MERIT**, born September 17, 1960. A deep red bull who has proven his ability to grow and has perfect legs and body and head. He has unusual growth and his promise of development can be seen in every detail. His dam is Marellbar Clipper Rita out of the famous Calrossie Clipper Rita family. His dam is one of the outstanding cows in our herd.

**NORTHWOOD PIONEER MAJOR**, born December 1, 1960. A medium roan bull, extra well fleshed, perfect legs, and almost a match to Pioneer Crown. His dam is Buttercup. Her dam is Aldie Kinsman.

**GLASTULLICH BOMBER, Imp.**, born March 23, 1960. A dark roan bull, extra heavy body, good head, good set of legs. He has made good progress since his arrival from Scotland. His dam is one of the good Glastullich cows by Bapton Balmoral.

**Remember: All pictures are unretouched and taken by an Amateur Photographer.**

**NORTHWOOD CAVALIER**, born November 17, 1960. His dam is one of the great Millhills cows by Millhills Heroic. His sire was Bapton Cavalier, top selling bull at Perth in 1957. This pedigree is quite a foundation to use as a cornerstone in your herd.

**MAINS WHITE CAVALIER**, born July 26, 1960. A white bull, extra heavy and broad with lots of depth. His dam is among the top females produced by Millhills herd. His sire, Bapton Cavalier was the top selling bull at Perth in 1957.

**NORTHWOOD ADVENTURE**, born January 1, 1959. A deep red bull. His dam is one of the best at Northwood. She has produced three good calves, the first being this great bull who, without doubt, is the most attractive son Bapton Constructor has produced during his career in the United States and Scotland. He will be classed as a bull that has everything, head, neck, shoulders, depth of body, good set of legs, extremely fleshy. You will see his dam and his two sisters as we expect to show the family at sale date.
